

Terms of Use

By using this website you agree to the terms and conditions outlined here within. These terms and conditions are subject to change to change at any time.

The following terminology applies to these Terms of Use and any or all Agreements: "User", "You", and "Your" refers to you, the person accessing this website and accepting the Website's terms and conditions. "The Website", "Our", "We" and "Us", and "NAS1291", refers to NAS1291.info.

Privacy

We collect user data on our site through Google Analytics. This data is collected from the following sources:

- The *HTTP Request*^[1] of the user's browser
- Browser/system information
- *Cookies*^[2]

NAS1291.info may also engage in 'Remarketing' which uses third-party cookies:

- Third-party vendors, including Google use this information to serve ads on other sites across the internet.
- Third party vendors, including Google, use cookies to serve ads based on past visits to our website.
- Users can opt out of cookies used by google analytics by visiting Google's Ads Settings: <https://www.google.com/settings/ads>
- Alternatively users may opt out of Interest-Based Advertising by visiting: <http://www.networkadvertising.org/choices/>

NAS1291 does not share information in email with third parties unless consent is given. This data is password protected and is only shared with authorized representatives of NAS1291.info.

Children's Privacy

Our Website is not intended for use by children/minors and NAS1291.info does not knowingly market or solicit data from children/minors.

Security:

NAS1291.info makes a best effort to secure all data provided through email, phone, fax or any other form of communication. NAS1291.info cannot guarantee the security user's information systems.

Definitions:

[1] HTTP request:

An HTTP request for any web page contains details about the browser and computer making the request. Additionally most browsers provide detailed browser and system information such as screen resolution.

[2] Cookies:

A cookie is a text file which is used to store information about your preferences, location and other details. They may also be used to protect your data from unauthorized access. Cookies are stored on your computer. First party cookies are issued by NAS1291.info, while Third Party Cookies are issued by other websites visited by you.
